Applicant Statements**Why do you want to serve on the RCC Board?**

I would like to contribute to the ongoing success and growth of the RCC. With all of the political negativity and real harm that our governmental "leaders" are trying to inflict, the RCC needs strong leadership to make sure that our LGBT community is represented appropriately and effectively.

What would you like to see the Rainbow Chamber accomplish in the upcoming year?

- Membership growth
- Providing effective and relevant programs/services to our members to assist in their business growth
- Continue to raise revenue streams in order provide appropriate & quality staffing to support the RCC
